## DESIGN OUR FRONT COVER ARTWORK GUIDELINES

Please read carefully to get the best results.

### DO

Use the cover template provided. You don't have to create your design on the template, but use it as a guide. We need to put some text onto the cover and this guide will help your artwork and our text work together.

Make your artwork colourful and bright. Use pens, pencils, paint, felt-tips, ink or collage. If creating a collage, please make sure everything is stuck well.

Send the entry form below and write your details on the back of the artwork.

Send your entry flat in an A4 envelope. Use cardboard to prevent creasing if necessary.

### DON'T

Use reflective materials (such as tin foil, or metallic paints or pens) as these cannot be reproduced in print.

Use glitter as it will get into our scanner.

Use very pale colours. We want our cover to be vibrant and exciting.
